

The former Door to HealthCare program of Healthy Howard, Inc., is now **HEALTHCARE ACCESS MARYLAND (HCAM)**

Door to HealthCare, the Connector Entity which has assisted with health insurance enrollments under the Affordable Care Act since 2013, in Howard, Frederick and Carroll Counties, is now under the direction of HealthCare Access Maryland.

For 20 years, HCAM has provided coverage, care and connections to the residents of Baltimore and surrounding jurisdictions – including serving as the state’s Connector Entity for Baltimore City, Baltimore County and Anne Arundel County. We are very excited to be working with the staff and consumers and partners in these new counties.

Carroll County consumers will find familiar faces – at both Access Carroll and Carroll County’s DSS – ready to assist clients seeking to enroll in medical coverage through the Maryland Health Connection.

The next Open Enrollment for 2018 qualified health plans (QHPs), is much shorter than in previous years and will run November 1st through December 15th.

Medicaid enrollment is available year-round.
